

Proposed Development;

4 Graciano Place,

Murrumbateman NSW 2582

Re: Justification for the proposed location:

We would like to justify the proposed location of the new shed as per the site plan, the proposed shed is located partially outside of the building envelop we wish to proceed with this location to comply with the *Planning for Bushfire Protection 2019* “*there is no bush fire protection requirements for Class 10a buildings located more than 6m from a dwelling in bush fire prone areas*”,

Kind regards,
